**ROBERT T. D. WALLACE**

*Vice-Principal of Victoria College*

A native Victorian, Mr. Wallace attended George Jay Elementary School, Victoria High School and Victoria College. His college career leading to an Arts degree was interrupted by a year in Normal School and a year's teaching at Westwold and Duncan. After graduating from the University of British Columbia in 1932, Mr. Wallace taught for one year at Victoria High School.

In 1933, Professor Wallace joined the staff of Victoria College, and during the succeeding twenty-five years he has contributed greatly to the high academic standard of the college. Through his understanding and quiet leadership both in the lecture room and in extra curricular activities, Professor Wallace has won the respect of his students and his colleagues. In recognition of this contribution to the well-being of the college, Professor Wallace was appointed vice-principal in 1953 and director of the first summer session of the college in 1957.

In appreciation of these twenty-five years of service to the students of Victoria College, we dedicate this 1958 Annual with gratitude and affection to Professor Robert T. D. Wallace, M.A., Vice-principal of Victoria College.

## *Editorial . . .*

Although our present impressions of life at Victoria College are vivid and clear, the passing years will all too quickly turn them into blurred memories of the pageant of youth. We wonder how we can ever forget what now seem to us the most vital moments of our lives—but it is disconcertingly easy. It is, therefore, the purpose of this Annual to serve as a stimulus for our thoughts, memories, and reminiscences.

Through our association with our professors and our fellow students, the road of co-operation and happiness has been clearly revealed to us. Nowhere is the working of democracy more evident than in our college. It is now our task to put its principles to work, to justify the advantages given to us. To make our own achievements, those of our community, and those of our country more respected should be our common goal. A man does not lay down his burden in the middle of a journey. Our present achievements should not, therefore, be counted as final until we have come to the last milestone and our “future” has become our “now”—for we are tomorrow’s world.

To our staff advisor, Mrs. Christie, and to my staff, I wish to express my deepest gratitude for their invaluable co-operation and assistance. And, to the Class of '58, may I say in all sincerity,

“Hello again,  
Good-bye again,  
’Till we meet again.”

## *Principal's Message*

After one or two years at Victoria College, three-fourths of the students will be leaving, either to continue University studies elsewhere or to commence teaching in the schools of British Columbia. The remainder will be welcomed back in September to Second Year Arts or Education. This points up the fact that most of our students pass quickly through our halls. However, it is inevitable that in the near future our students will be able to spend three or four years on the campus, preparing for a degree in Arts, Science, or Education. That happy day, for which many plans are being made in campus extension, building projects, faculty growth and library facilities, will give the College a greater maturity and an even more deeply seated tradition than it already enjoys. Professors will cease to be the only non-evanescent personalities.

I am not inferring that, in your brief stay at Victoria College, you did not grow and that you did not leave your mark. We know that you have extended your vision of the world of the past, present and future; your curiosity has been whetted, your talents have been developed, you have read in the Humanities, observed and experimented in the Sciences, and practised the skills of the Teaching Profession.

Into the pattern of your College life most of you have woven the bright threads of happy times together in friendly conversation, at social functions, in dramatic and musical endeavours, and in sports. We congratulate you on many aspects of College life, including the fine work of the Students' Council, the excellent production of "The Applegart," and the prowess of the "Vikings."

The members of the teaching faculty whom you know, wish you success and happiness, not only in making a good living, but in living a good life.

*W. H. Hickman*

## *President's Message*

When I was elected last year to the presidency of the Students' Council I considered it to be a great privilege. But now that my term of office is drawing to a close and I am able to look back over these past months, I find that it has been more than a privilege; in truth it has been the greatest pleasure I have yet encountered. Yes, Victoria College has surely been good to me and for all that I have gained from college life, I am truly grateful.

To the members of this year's Students' Council, for their loyal support, co-operation and perseverance, may I express my sincere gratitude. Indeed, it has been an honour for me to work with such a first-class group. Also, let me say "thank you" to the Faculty, for their assistance and willingness to share in our student activities, and of course, to you, the student body of Victoria College, for participating in the many extra-curricular activities and for taking such an active interest in your student government.

I am sure everyone will agree with me when I say that here at Victoria College, through our academic studies, numerous clubs, athletic teams, and social functions, we have had an excellent opportunity to acquire the best possible training—a training that will stand us in good stead in our future years.

Although my student days at Victoria College are now nearly over, I will certainly take away with me many happy memories. I leave behind my best wishes to the Faculty and to the Students' Council of next year, and hope that they will achieve the greatest success in all their endeavours. And to the future students of Victoria College, let me express my sincere hope that Victoria College will be as wonderful an experience for them as it has been for me.

# Students' Council

This year's Students' Council has had an extremely successful year as, due to president Doug Stewart's tight money policy, they came out on the right side of their budget, which was mapped out by treasurer John Gilliland at the beginning of the year.

Among the major accomplishments of this year's Council were: a party for the children at the B.C. Protestant Orphanage, a complete revamping of the constitution under Martlet editor Janet Wallace, the distribution of College blotters for the first time, the purchase of new furniture for the Men's Commons, the sponsorship of public appearances of such celebrities as Major-General Pearkes and the Four Knights, and the sponsorship of the Norseman Rocket Project, the first project of its kind in Canada.

Our Council also supported twenty-seven clubs, fourteen athletic teams and organizations, and twelve dances. They also organized the two special weeks in College activity, Frosh Week and Twirp Week.

A very pleasant highlight occurred in February when the entire Council was invited by M.L.A. Tony Gargrave to be his guests at a luncheon in the Parliament Buildings, and to watch the government in action after lunch.

Council members were also invited by the Players' Club to act as ushers at the play, thus enabling them to see most of the play free of charge.

## STUDENTS' COUNCIL

Front row, *left to right*: Sheila Clark, Ann Burrridge, John Gilliland, Doug Stewart, Carole Salonen, Barbara Wallace, Joanne Dawson, Janet Wallace, and Peggy Starden.

Back row, *left to right*: Joe Haegert, Mr. Farquhar, Robin Farquhar, Dr. Tracy, Ron Cook, and Tom English.

The Council gave a lot of financial backing to travelling College students this year. All the major teams made at least one trip to Vancouver each, and shorter sporting trips to Duncan, Nanaimo, and Alberni were also made.

Three members of the Council, Doug Stewart, Peggy Starden, and Robin Farquhar, travelled to Vancouver for four days at the end of February with a very successful display for the U.B.C. Open House. The display consisted of two beautiful display boards done by Professor Johns and some very good coloured slides showing campus life which were taken by Tony Gargrave.

Senior faculty advisor, Mr. Farquhar, and junior advisor, Dr. Tracy, did an excellent job in their advisory capacities.

Members of this year's council were: Doug Stewart (President), Peggy Starden (Vice-president), Barbara Wallace (Secretary), John Gilliland (Treasurer), Robin Farquhar (Director of Publications and Publicity), Sheila Clark (Director of Literary and Scientific Department), Carole Salonen (Director of Women's Athletics), Tom English (Director of Men's Athletics), Joanne Dawson (W.U.-G.S. # *Our Campus Queen ...*

The students of 1957-58 all join in paying homage to their beautiful Campus Queen, Valerie Parkin, and her two lovely princesses, Bev Gillies and Gail Morrison.

Val, who is renowned for her cheerleading ability, is a member of the Faculty of Education. As well as belonging to many college clubs, she has many outside interests—dancing, sports, and hiking.

With regard to future plans, Val intends to return to Victoria College next year and then take a year at the University of Washington majoring in Physical Education. Eventually, our “Miss Vim, Vigour, and Vitality” would like to have her own dancing school in Victoria.

The editorial staff of the Tower joins with everyone in wishing Val the best of luck in the years to come.

## *Martlet . . .*

Again this year, the Martlet staff turned out several issues which tried to strike a happy medium between a serious and "gossipy" sheet. And as usual, there was the mixed reception—those who wanted all gossip, and those who wanted all serious writing.

The Martlet attempted a small crusade—to have the Union Room opened for students all day—and after the failure of this, the editor fell into a heartbroken decline, during which no papers appeared.

There were many problems this year, chief among which was financial difficulties. In spite of a generous council grant of \$175, it did not seem that the Martlet could climb out of the red. Barry Gelling, Advertising Manager, sold a great many ads, but printing costs are still extremely high.

After much deliberation, the Editorial committee selected Norma Calvert as the winner of the Martlet Trophy, an award to the student at College displaying sportsmanship and ability. Congratulations, Norma.

This year's staff hopes that next year's editor will have success with the paper and, somehow, solve the many problems of publication.

## *The Radio Club . . .*

With a grant from the Students' Council and a great deal of work the proposed changes were carried out this year under President and Program Director, Alan Smith; Vice-President and Promotion Director, Bruce Young; News Director, Brian Hurst; Engineer, Ron Paver, and Secretary, Sharon Plows. First of all a complete renovation, both inside and out was executed. Club members were busy repairing and painting while a complete new operating set-up was being installed by Ron Paver. This was followed by the installation of a new speaker system in the cafeteria in the form of individual booth speakers. After an unfortunate delay because of a hold up in shipment of equipment, the station commenced broadcasting in early December and continued faithfully four hours a day and six days a week through to early April.

Besides providing relaxing entertainment and services to the student body as a whole, the radio station functions as a club, the main object of which "is to provide experience for all members of Victoria College interested in all phases of radio." This, the club does to its utmost, with three active departments providing excellent practical experience in all phases of announcing, "D-Jing," continuity writing, and engineering; all of these following as closely as possible the procedures of the radio world.

The Radio Club is always one of the most active clubs on the campus and this year was no exception. The club flourished with an active membership of 21, each member having specific shows and announcing to do.

Producing regular shows were Bruce Young, Robin Farquhar, Waldo Skillings, Bruce Snider, and Bruce Huxtable, all sharing in the early morning Caf 101 show; Ian Thow and Tony Dare spinning the jazz; Brian Hurst providing the semi-classical music; Ron Dalby and the Caf 202 show; Alan Smith, Tom Sinclair, Sandy Pogson, and Hew Gwynne, providing the dance and popular music at noon hours. The news department under the hard work of Hew Gwynne, Gordy Scofield, and Brian Hurst prepared regular news broadcasts. Special mention goes to Ron Paver who, with the help of Joe Louis had the biggest and perhaps most unrecognized job of keeping the station "on the air" at all times.

The Radio Club's contribution to the social life of the campus each year is the annual Blue Room dance which has become a major function and is regarded as one of the best dances of the year.

CJVC is now firmly established with three years of vigorous activity behind it, paralleled with three years of rapid advancement and improvement.

Sitting, left to right: Barry Gelling, Janet Wallace and Ian Smith.

Standing, left to right: Gordon Scofield, Michael Rankin, John Simpson and Jon Stott.

Left to right: Marilyn Taylor, Wynnona Foster, Peggy Standen, Joanne Dawson, Claudia Butler and Angeline Mar.

## The Women's Undergraduate Society

The W.U.G.S. of '57-'58 had an eventful year. The Executive consisted of Joanne Dawson, President; Wynnona Foster, Vice-President; Angeline Mar, Secretary; Claudia Butler, Treasurer; Marilyn Taylor, Social Chairman; Peggy Standen, Publicity Director; and a six-member social committee, the W.U.G.S. did its best to promote fun and friendship.

In September, the Frosh were welcomed by the Sophs at the annual Freshette Tea. In the Union Room, beautifully decorated for the occasion, several Soph girls modelled their own cloths in a Preview of College Fashions. The W.U.G.S. again undertook the sale of pins, crests, sweaters and scarves; selling well over six hundred dollars worth this year.

In November, the old halls echoed with girls practising "The Pyjama Game" theme in preparation for the W.U.G.S. entertainment at the M.U.G.S. dance.

Something new was tried during the fall term—a Casserole party. Famished girls, clad in pedal pushers, did their best to out grab all their neighbours in the rush for home-cooked delicacies. Recuperating from the dinner, the girls were entertained by Harlene's hilarious skits.

The Christmas Season was highlighted again this year by the Kristmas Kackle Koffee Party held on Sunday, December 29th, at 12.30. Many of the girls who have been at the college during the last few years attended the W.U.G.S. homecoming, which featured tasty food and delightful entertainment.

Highlight of the W.U.G.S. year was, of course, TWIRP week, from February 14-21. The girls took over the college, made the boys wear their favours, and although they were required to foot the bills, generally had a good time. TWIRP season culminated with the Stardust Ball. W.U.G.S. awards presented at intermission were: International Good-Head, Tony Gomersall; Cafeteria Queen, Barbara Dickout; Lovingest couple, Donna Speers and Paul Phillips; and Runners-up, Sandy McLeod and Jack Showers.

The W.U.G.S. had several meetings and guest speakers during the year. Grand finale of the year, was the annual Farewell Tea, presented by the Frosh girls in honour of the Sophomores. The very helpful sponsor for this year was Mrs. K. Christie.

## The Men's Undergraduate Society

For the M.U.G.S. 1957-58 has been an active year. The Men's Smoker, a perennial success, opened the college season happily, and the M.U.G.S. Dance in November certainly carried our merry centennial spirit to the dizzyest heights.

The crowning spectacle of our year was the choice of Campus Queen. Not only did we have a beautiful battery of candidates, but assuredly smashed all interest records with a jammed auditorium. It was easily the "field day" for this year.

And finally at the "Stardust Ball," displaying exceptional versatility, the M.U.G.S. engineered some "entertainment." (We understand that the W.U.G.S. now want to manage their own for the future!)

The executive making all these things possible were: **Sponsor**, Mr. Loft; **President**, Joe Haegert; **Vice-President**, Bill Gosling; **Secretary-Treasurer**, Waldo Skillings; **First Year Arts Rep.**, Roland Hawes; **First Year Ed. Rep.**, Lyle Garraway; **Publicity**, John Cummings.

## Norseman Rocket Project ...

A highly ambitious undertaking the Norseman Rocket Project is the first such research project attempted at Victoria College. Involving fourteen sophomore science honour students and seven professional advisory people the Norseman Rocket Project is attempting to build a complex twelve foot liquid fuel experimental rocket capable of reaching well beyond the atmosphere. Operated on a voluntary donation basis, the directors hope to put the rocket on display in an effort to win good publicity for the college. Unlikely to be finished by April, work will be carried on during the summer months.

## *The Progressive Conservative Club*

The Progressive Conservative Club of Victoria College was founded at a meeting of the Forum Club in October.

Mr. Courtinall was elected President, Mr. Gerald Bell, First Vice-President and advertising, Mr. Glen Shipton, Second Vice-President, and Miss Joyce Conroy-Finn, Secretary. Dr. Moreau later became our Sponsor. Mr. Courtinall and Miss Conroy-Finn drafted a Constitution. Mr. Michael Sanguinetti volunteered to look after the social duties.

The club sent Miss Joyce Conroy-Finn to Ottawa to a National Young Progressive Conservative Convention where, on behalf of the club, she presented a resolution on drug addiction which was drawn up to curb the illegal sale of narcotics. General Pearkes, our Honourary President, spoke at the college on the NATO Summit Conference. Mr. La Tour represented the club in a sitting of the U.B.C. Model Parliament in Vancouver.

Another policy of the club was to find out how it could best use press, radio and television in putting the activities of the College before the public in an informal way. We found that press relations, unless handled with extreme care, can be detrimental. Hence we appointed Mr. Hew Gwynne as our public relations officer. He carried out his duties with the assistance of the Students' Council with a remarkable degree of success.

Miss Conroy-Finn gave a talk on CJVI on her trip to Ottawa, and Mr. Courtinall spoke on CHEK TV on the importance of a Model Parliament to campus extra-curricular education.

Four socials were held at which we entertained guests. The last of these socials, a formal function attended by approximately sixty people, was held at the residence of the President to entertain the members of all political clubs on the campus, those who took part in the Model Parliament, and members of the Players' Club.

Although a Conservative Government was returned to Ottawa this year, and Conservatives seen to dominate model parliaments across Canada, we felt that we had done very well in Victoria by returning twelve seats in the first election and fourteen in the second.

## *The Liberal Club*

In spite of its late start this year, the Liberal Club at the college has enjoyed a good measure of success. At its organizational meeting in January, the club elected an executive of: President, Lance Finch; Vice-President, Tom Robinson; Secretary-Treasurer, Barbara Geddes.

Throughout the term, the executive received excellent support and co-operation from all of the twenty club members.

Most of the club's activities were directed towards helping to make the Model Parliament a success. Upon the election of a minority Liberal Government, the "Prime Minister" appointed Martin Hamersley, Brian Hurst, Tom Robinson, Barbara Geddes and Eric Clarke to Cabinet posts. Their combined efforts failed to keep the government in power for more than one sitting, but following dissolution of parliament the club rebounded to win the second election by capturing eighteen of the forty-four seats, a gain of one. This left the government in much the same position as before and it prepared its legislation this time with even more care.

The club was fortunate in having Victoria M.L.A. George Gregory, to address a meeting prior to the first election. Although social evenings were less numerous than those of the "Tories," they tended to be much more dignified. Greatest solo achievement of the year was the scaling of the College Tower by "H.R., E.C. and J.C." for campaign purposes.

Members of the club are very grateful to Professor Wallace, club sponsor, for his active support.

## *The C.C.F. Club*

The C.C.F. (Cooperative Commonwealth Federation) club has had a very successful year at Victoria College. The club executive consisted of Adam Ustik as President; Tony Gargrave, Vice-President; and Elsie Jernslet as Secretary-Treasurer. The club was indeed fortunate to have Tony Gargrave, who is a C.C.F. M.L.A., as a member. One of the many successful ventures held by the club was the meeting in which Robert Strachan, leader of the C.C.F. in B.C. and Leader of Her Majesty's Loyal Opposition in the Provincial Legislature, gave a very informative speech to the students of Victoria College. There were several interesting discussions and debates by the members of the club on the various aspects of the C.C.F. Another outstanding event in which the club participated was the first "Model Parliament" ever held at Victoria College. Under the able leadership of Frank Mitchell the C.C.F. Club played a prominent role in the Parliament. One of the highlights of the year was undoubtedly the luncheon given by Tony Gargrave for the club members at the Parliament Buildings. The '57-'58 year at Victoria College has been a most interesting and happy one.

## *The Social Credit Club*

The Social Credit Club like all other political clubs enjoyed a very successful year. The main purpose behind the club was to lay a foundation for future years.

The club members were guests of Mr. Herb Bruch (M.L.A. for Esquimalt-Saanich) for a luncheon and a front row seat at the Budget Address given by Premier W. A. C. Bennett. The Social Credit club also entertained the U.B.C. Social Credit club during the month of February. This proved very profitable for both clubs as we had a very interesting discussion meeting with all cabinet ministers.

The "Model Parliament" was the accomplishment of the year. It proved worthy of continuation, and provided an outlet for repressed opinions against other political parties.

The club President was Colin Nicolson, First and Second Vice-Presidents respectfully were, Terry Wayling and Terry Jarvis. The Secretary was Betty Hamilton. All the members took an active interest and should be thanked for their outstanding efforts.

Left to right: Ken Dawson, Carole Salonen, John Johaneson, Lloyd Mellor, Jon Stott and Sheri Stott.

Left to right: Bernard Rain, Bob Parker, Sharon Plows, Marion Petter, Pat MacKinnon, Mary Goward, Joanne Dawson and Ian Smith.

Left to right: Bob Hemmings, Liz Savage and Liz Roper.

## The Jive Club ...

In its second year of functioning at Victoria College, the Jive Club has made great progress. Having a card-holding membership of 250 the Jive Club is the largest and one of the most active clubs on the campus.

The aim of the club is to promote jiving as a form of recreation and relaxation at the college. This year, with the kind assistance of Mal Potts and Alf Petterson, many students have been taught to jive and also several new steps have been taught.

The high point of the year was the second annual Jive Club Dance, "The Centennial Swirl." It was held this year at the Crystal Garden with Bert Zala's orchestra. The dance was a great success both socially and financially.

The Jive Club this year also formed its own Rock 'n' roll band. Under the leadership of Bob Walker, The Frontier Five gave two red-hot rock 'n' roll sessions which were greatly enjoyed by all students.

All told, the Jive Club has had a very successful and enjoyable 1957-58 year.

The executive were: President, Ken Dawson; Vice-President, Lloyd Mellor; Treasurer, John Johaneson; Secretary, Sheri Stott; Second Year Rep., Carole Salonen; First Year Reps., Bev. Greggor, Jon Stott, and Barbara Dickout.

The Listening Club has had a very successful and enjoyable year. Sponsored by Mr. A. Spratt, the executive were: Bernard Rain, President; Robert Parker, Vice-President; Sharon Plows, Editor of the "Listener," and Marion Petter, Secretary-Treasurer arranged numerous recorded and live concerts. They also assisted with the Students' Council and Mr. Gaddes in preparing and establishing a new Music Activity Award of fifty dollars. It is hoped that the award will stimulate interest and activity in music in the college.

## The Listening Club ...

The concerts were very interesting and varied including a harpist, Lorna Langley, of the Victoria Symphony who gave an excellent concert performance in March. Three Professors gave recorded lecture-concerts including Dr. H. Hickman, Dr. G. Tracy and Mr. F. Kriegel; student performers were: Joanne Dawson, Pat Chatwin, Bob Parker, Mary Goward, Bernard Rain, Sonia Tesluk, Kay Bell and Linda Hanson. Mr. C. E. Burchill also participated in the concert.

March 14th highlighted the Listener's activities of the year. The club, in conjunction with the Choir and Collegiates, presented a "Spring Concert," proceeds of which went towards the Activity Award. It was very successful and the calibre of performance by the students was excellent.

The club was also responsible for publishing a literary paper, "The Listener" every other week. Some excellent work was done by the staff and students. The editor, Sharon Plows, was assisted in her work by Joanne Dawson, Ian Smith and Pat MacKinnon.

The executive, at this time, would like to thank all those who supported the club and helped to make the year a successful one.

## I.R.C.

## *The Victoria Collegiates ...*

The VC's had a turbulent 1957-58 year. At the beginning of the year, a poster was used to advertise this idea. The turn-out was most successful. However, due to time element, the club disintegrated. The next idea was to form a "Jazz Spectacular." The initiators of this were the presidents of the Jazz, Listening, and Collegiates Clubs and outstanding members of the Collegiates itself. Due to departures of several persons, the idea faded again. Then a discussion began on the performance of the best musicians of Victoria College in producing several concerts. The Collegiates tried again. Here is hoping the future Victoria Collegiates produce enjoyment for themselves and for other students.

## *The Poster Club ...*

This year's Poster Club was formed of the poster representatives from the various clubs. Under the president, Carole Slater, terrific work has been accomplished in publicising College Activities. Many thanks go to Sharon Butler for her hard work, also to the rest of the staff.

Front row, sitting, left to right: Eric Clarke, Gail Morrison, Barbara Geddes, Sharon Plows and Dave Allan.

## *The Victoria College Players ...*

George Bernard Shaw's political extravaganza "The Apple Cart" was chosen by the Victoria College Players as their presentation this year.

The success of the political comedy was due to the patience and skill of the director, Mrs. Flora Nicholson.

The leading roles were taken by Frank Mitchell, David Allan and John Gilliland and all turned in excellent performances. The supporting cast, consisting of Tony Gommersall, Sally Timmis, Elizabeth Roper, Gail Morrison, Brian Hurst, Michael Deane, John Webb, Bob E. Smith, Barbara Wallace, Patricia MacKinnon, Dale Cole, Lois Robbins, Geraldine Reiber and Bob Taylor was excellent. The whole cast worked as a unit to produce one of the finest productions ever seen at the college.

The success of the play would not have been possible if the technical crew had not been first class. These include Technical Director, Bob H. Smith; Assistant Director, Marion Petter; Ticket Sales Manager, Al Smith; Lighting, Ron Paver and Norman Hamilton; Sound, Lorne Ross and Joe Lewis; Music, Diane Watkin; Properties, Marilyn Taylor and Roseann Millin; Costumes, Lynne Harwood; Costumes designed by Sharon Plows; Program, Barbara Geddes; Publicity, Fraser Nicholson and John Farr; Makeup, Allene Spilsbury; Decor, Mike Rankin; and Stage Hands, Bill Gosling, Pete White, John Cummings, John E. Elliott, Colin Nicholson.

For four years now the Victoria College Players have performed in Victoria's only Theatre-in-the-Round. The college play is now recognized as one of the biggest dramatic events of the season.

The executive consists of: Barbara Geddes, President; David Allan, Vice-President; Gail Morrison, Secretary; Eric Clarke, Business Manager; Bob H. Smith, Technical Director; Sharon Plows, Member-at-large.

The Victoria College Square Dance Club enjoyed a round of activities this year, culminated by the "Howdy Hop" in early February. All present agreed that it was one of the most enjoyable affairs of the year. We hope next year there will be increased interest as this year's members received a great deal of fun from joining. The club was ably headed by President Paul Phillips and Vice-President Laurel Beale. Publicity Mary Leggett and Secretary Gail Crawford also added their assistance to the success of the club.

## *Chess Club ...*

The Chess Club, under the leadership of Tim Lee, set its sights this year on creating interest in chess among members of the student body. The result was more than successful as members of the club taught nearly one hundred students the fundamentals of the game.

With more and more students taking an interest in the game, the club's future looks very bright. The Chess Club was under the sponsorship of Mr. Cross.

## I.V.C.F.

The I.V.C.F. is an international, interdenominational organization. Its aim, "to know Christ and to make Him known," was achieved at Victoria College by having Bible studies for members on Wednesdays and meetings which were open to everyone on Fridays. Prayer meetings were held three days a week at 8 a.m.

Guest speakers included missionaries from Africa and South America (Matthew Pollack and Ross Cleminger); travelling evangelists from England and Canada (John Williams and Don Holliday); and men from Victoria churches (Abraham Wilson, Dr. V. B. Taylor, and Rev. Paul Hawkes). The club also presented three Moody Institute of Science films: **Red River of Life**, **Hidden Treasures**, and **The Prior Claim**.

The President, George Pearce, was assisted by John Wakeford, Vice-President, and Betty Belobaba, Secretary. Nola Neale helped to advertise the meetings with her attractive posters. Mr. Dosso, faculty advisor, gave much valuable assistance throughout the year.

## *Pre-Med Club...*

A series of films and speakers highlighted the meetings of the Pre-Med Club this year. Tours of the two Victoria hospitals proved extremely interesting and served to enlighten the thirty club members on the organization and operation of the hospital.

The speakers included Dr. R. M. Lane, Director of Student Health Services who spoke on Influenza and Polio, and Dr. R. Sutherland, who discussed medical training and internship. Dr. R. M. Peet spoke on the recent advances in Neurology and Psychiatry and outlined various treatments of nervous disorders.

The film program consisted of three films on mental health, one on the delivery of quadruplets and one on Cancer. It is hoped that before the end of the year the club will be able to show films dealing with hospital life, fluoridation and Tuberculosis.

The Pre-Med Club also sponsored a blood drive at the college this year and it is hoped that this may be repeated in future years.

Club executive consisted of: Brian Sabiston, President; Hamish Redford, Vice-President; Catherine Rae, Secretary, and Carole Slater, Publicity. Co-sponsors of the club were Mr. A. Fontaine and Mr. G. Fields.

## *The Outdoor Club...*

The Outdoor Club, which is a new club at the College this year, was a very successful organization. President was Michael Abel, vice-president was Hamish Redford, and secretary was Joyce Conroy-Finn.

Five hikes were held throughout the year. They were to Mts. Prevost and Sicker, Mt. DeCosmos, Lost Creek, Wigglesworth Lake, and a wiener roast at the Sooke River pot holes.

The most popular hike was to Mts. Prevost and Sicker on which about 80 students went.

It is hoped that the Outdoor Club will continue to flourish at the College in the future years.

## I CYNTHIA'S LAMENT

The dead sea expands,  
and reaches out toward the place  
where rotting magnates wait  
in steel and concrete tombs.  
This is the land where but an age ago  
the poets wrote of me;  
where now there are no lovers  
to walk and kiss beneath my light.

## II THE GOD OF WAR

We left our little globe, Sir,  
And came to live on yours.  
For we were tired of fighting  
Those never-ending wars.  
But now we're getting bored, Sir,  
For there's nothing much to do.  
So we'd like to have another war,  
Or maybe even two.

## III THE GODDESS OF BEAUTY

She was once a virgin maiden:  
Her chastity her verdure,  
And her steaming, humid seas.  
And man has come, and turned to deadened brown  
Her verdure, and gouged her flesh.  
And poisoned her tranquil seas  
With the image of himself.

## IV THE MESSENGER

For an age he had rushed  
Without a message.  
Then they came.  
Now for an age he will rush, crying,  
"They have taken the secret  
Of my winged sandals!"

## V THE INSTRUCTOR OF THE PEOPLE

His was the wisdom of eternity:  
He was the Instructor.  
He shouted, ranted, damned.  
Beat upon his breast:  
And the man would not listen . . .

## VI THE KINDLY OLD MAN OF THE SEA

On his little cinder.  
He knew me as the ruler  
Of his paltry seas.  
And now he has come here,  
To brave my wrath again.  
He thinks that he can tame me now:  
Even as he did before:—  
He will.

## VII THE UNDERWORLD

Here, in the labyrinths of desecration  
Have I waited aeons.  
To wreak my spite upon  
This unsuspecting victim.  
And he has come, and fought,  
And gone, and left me here  
The vanquished.

## VIII SON OF GAEA

From the dim edge of my remembrance  
Has my mother come to nurture me again.  
And when I have once more grown strong  
We shall mate again, and bring forth  
A horde more terrible than the Cyclops.  
And mightier than the Trojans.

## IX THE KING OF THE GODS

Always have I ruled:  
Always because I was the greatest.  
And the mightiest.  
But this man has come.  
This tiny little man, and braved  
My greatness and my might.  
LONG LIVE THE KING!

## X THE BEAUTY OF A TWO-MOONED NIGHT

A boy and a girl were walking in the night.  
They stopped, and looked into each other's eyes.  
Then Cynthia, and Aaron, her mate.  
Smiled upon them as they kissed. — John Simpson.

An army was marching:  
Lustily, faithfully;  
Stopping for nothing.  
Stopping for no one.  
And in its wake  
Came more, and more—  
All marching, following, struggling.  
And they were glad in their hearts  
For nothing could stop them, and  
Nothing withstand their advance.  
Mountains, rivers, valleys  
Valleys, rivers, mountains—  
Over the rises—  
Over all—  
Toward the distant light  
They marched—  
And then the lemmings came upon the sea . . .

JEWELERS

1684 Douglas Street, "kitty corner" Hudson Bay

The graybeard dwelt by the tired sea;  
Old was the ocean, and he also was old.  
Cold were the waves, and he also was cold.  
Silent he was, but the waves washed free.  
The trees crowded around his shack,  
Pressing the creaking boards closer to earth;  
The moaning wind in their aching branches was his dirth,  
And the sea rolled at front, and the forest at back.  
And he watched through the cracked glass each morning  
The rising sun paint yellow the jumbled rocks  
That lay slumbering about the crooked box  
That was his cabin, so lonely, forlorn.  
And he saw at evening, from his perch amid the crooked  
limbs, the waves touch his dwelling on the shore:  
And in the morning—he arose no more.

## *Citizen of the World*

Osgood lived on an ordinary street  
In a white house  
Just like five other white houses—  
Except that his had a red door.  
He had a steady job dealing in a Russian Roulette game.  
And he belonged to all the clubs he should belong to, and  
he played all the games he was expected to play  
And he sang "God Bless America" in chorus, and was  
happy in a debtish sort of way.

One day a burglar broke into Osgood's house.  
Osgood fought and fought and finally succeeded in sub-  
duing the burglar.  
His wife went for the police, and came back with them  
three months later.  
Osgood and his wife appeared in court, and preferred  
charges.  
The court spanked the burglar, and sent him home;  
And convicted Osgood of having a red door, and gave him  
twenty years in solitary.  
And his neighbors smirked in their white houses and said  
that it served him right for having a red door.

## *Irony*

The grey man stood on the grey pavement  
And stared.  
He cast his searching eyes upward  
To where the steel spires  
Scraped the leafy cloud-banks  
The building was mortar, stone, and steel—  
And yet it lived.  
The mighty pulse of the aching city echoed through its  
bustling halls.  
And the heart of the city was in the myriad beings who  
walked the shining tower in the air.  
And the man wished he could be one of those people,  
watching wishing hearing hoping, riding the white  
tower into the sky.  
But he knew that nevermore would he walk among them.  
For a moment he was lonely.  
And then he laughed.  
He owned the building.

## *Pearl Harbour II*

There was no warning—  
The radio screamed  
And died  
Echoing into a tomb of silence.  
We waited, cringing in our flimsy houses.  
Then a screaming wail,  
And a white-hot silent  
Death cry.  
Life died in a fury of atoms,  
And city-country was no more.

## *Flood*

Mankind began as a spring, in the back  
Of a cave.  
It grew, and joined, and flowed—  
Remorselessly—  
Until it became a river.

Mankind became a being,  
A power;  
It changed its surroundings;  
It reformed the shape of things  
To its own convenience;  
And it cried to all who would hear,  
"Look who I am, and  
Look what I have done."

As the flood came near the sea  
It preened its strength, and boasted of what it had done.

And then flowed into the sea  
And was lost forever.

## BILL GARNER ...

### *Coach of the Vikings*

One of the big reasons for the success of the Vikings has been the coaching of Bill Garner. The 6'2", 195 pound city athlete is in his second year as basketball coach of the college team. Bill attended Victoria College, the old Normal, and Oregon State University. At Oregon, on a baseball scholarship, he earned his Bachelor of Science degree with honors in Maths. He now spends his time playing baseball for the Victoria Farmers, teaching Maths, Science, and P.E., at Landsdowne Junior High School, and growing a centenary beard. If he is as successful at beard growing as he has been in his other fields, we predict that he should win the current contest.

## *The Vikings ...*

"Look Ma, we doed it again . . ." This might well be the slogan of Victoria College's defending champion Vikings, who again defeated the Winnipeg Buffaloes to defend their Western Canada title. At press time arrangements had not been completed for the Dominion final.

The Vikings played the early part of the year in the Senior B men's league, and were in first place when, shortly after Christmas, they dropped from the league and began an exhibition schedule which saw them defeated only twice. The Vancouver YMCA was easily defeated in two games for the B.C. title and the club faced the Winnipeg Buffaloes.

Facing a travel weary team in the first game, the Vikings built up a sixteen point half time lead, and outlasted the Winnipeggers for a 73-61 victory. Al Keenan of the Buffaloes with his eighteen points and superb rebounding, Tom English and Bob Tomlinson, each with eighteen points, were top Viking men.

The Winnipeg team found their basketball legs in the second game but were just edged out by the Vikings. The tables were turned for the third game and Winnipeg sneaked through for a 72-71 victory. The two teams traded the lead several times in the final quarter, and when time ran out both teams had earned 65 points. The Winnipeggers gained seven points in thirteen to win the game in overtime. Harvey Muth starred for Winnipeg with 22 points, Ken Brousseau lead the Vik's with 21.

The Vikings ended the series in a blaze of glory, trouncing the Buffaloes 62-32 in the fourth and final game of the series. Bob Tomlinson with 14 points, and Waldo Skillings with 13 points, were the leading scorers. Generally speaking, it has been an extremely exciting year for players and spectators—a year to remember.

## *Late Bulletin ...*

The team went on to defeat the Windsor A.K.O.'s in another exciting series to be the CANADIAN JUNIOR MEN'S CHAMPIONS.

Sitting, left to right: Ann BurrIDGE, Mr. Farquhar and Carole Salonen.  
 Standing, left to right: Ed Kowalyk, Russ Chambers, Norma Calvert, Tom English and  
 Jamie Costain.

## *The Athletic Council ...*

The Athletic Council, in its second year, has proved again to be a terrific success, due to the excellent direction of Mr. H. E. Farquhar.

The function of the Council is to co-ordinate and control all athletic activities in the college; that is, plan trips, decide allotments for money, pick coaches for the teams and many other hard-working duties.

The Athletic Council meets once a week throughout the college year to perform these various functions.

## *Cheerleaders ...*

The originality and polish of their routines made the Cheerleaders a most successful group this year.

Appearing at all the home games of the Vikings, the girls performances were greatly appreciated by both players and spectators.

Members of this years enthusiastic group were Val Parkin (captain), Carole Slater, Tricia Armstrong, Kay Rae, Joanne Gingel and Marilyn Phillips.

## Women's Basketball

First row, *Left to Right*: Jim Wilson, Allan Goldie, George Edson, Don MacLeod.  
Second row, *left to right*: John Dunbar, Bob Harman, George Eremko, Jon Magwood, Phil MacNeill, Art Affleck and Fred Fedorak.

Standing, *left to right*: Coach Mel Briggeman, Miss Fleming, Val Peden, Doreen Johnston, Rosalynd Fielder, Pat Beath, Julie Beecroft, Bernie Beninger, Ann Burridge and Sheila Clark.  
In front: Norma Calvert.

Last year a prophecy was made regarding the College Women's Basketball team: "We have a potential Provincial Championship team here." This year the prophecy was fulfilled as the B.C. Junior B Basketball championship came to Victoria College for the first time.

The girls won the Island championship the easy way since Vancouver Island came up with no competition for the Vikettes. But in the B.C. final in Vancouver, it was another story. The College team played their best games of the season, defeating the stubborn Vancouver Futurities, last year's B.C. Juvenile champs, 38-36 and 33-26.

One of the main reasons for the Vikettes' success was their new coach Mel Briggeman. He gave the girls the best instruction and encouragement possible. With his enthusiasm and direction behind them, the Vikettes victory was a real team effort, every player giving it everything she had.

During the season the Vikettes played in the city Senior B Women's League for practice and won the championship with a season's record of 5 wins and 1 loss.

In exhibition play, the team battled some difficult opposition but still managed to come up with a 12-6 won-lost record.

This year's team consisted of:

**Norma Calvert** (guard and captain) the most outstanding play-maker and most versatile shooter on the team. She has improved continually since being named Most Valuable Player in the Kootenay Conference in 1954.

**Pat Beath** (guard and Assistant Captain) as a starting guard, Pat was a very fine defensive player who had a steadying influence on the whole team.

**Rosalynd Fielder** (forward or center) a very effective player both offensively and defensively, Rose won the B.C. championship for the team with her accurate foul shooting.

**Val Peden** (center) first string center whose strong points were her fine clearing of the boards on both offence and defence and her consistent pivot shot.

**Bernie Beninger** (forward and assistant captain) leading scorer of the squad, a terrific hustler who was deadly on the quick break, netting 13 points each night in the B.C. finals.

**Doreen Johnston** (guard) Doreen possessed a remarkably accurate long set shot which helped win many a game.

**Sheila Clark** (guard) although the shortest player on the team, Sheila was a good ball handler and a fine play-maker with a moving shot down the key.

**Julie Beecroft** (center and forward) most accurate foul shooter on the squad with a season average of 80 percent, Julie was also a strong defensive player.

**Ann Burridge** (forward) the Manager of the team who improved continually over the months to help the team in forward position.

**FIRST TEAM** *Left to right:* Sally Timmis, Allene Spilsbury, Sally Furneaux, Val Peden, Wenry Sanderson, Norma Calvert, Diana Symons, Sheila Clark, Ann Burridge, captain, Mary Goward and Miss Bray.

**SECOND TEAM** *Left to right:* Val Parkin, Wendy Etheridge, Barbara Williams, Miss Bray, Bernie Beninger, Rosalynd Fielder and Karen Child.  
*Sitting:* Sheri Stott.

## Women's Grasshockey

Women's Grasshockey reached a new level of interest and attainment this year. As well producing one of the strongest hockey teams ever assembled under the blue and gold, Victoria College was also able to field a second team, which had never before been possible. Boasting an exceptionally strong defence and a speedy forward line, the first team proved to be an almost unbeatable combination at the peak of the season.

In Bridgman Cup play the girls lost just one game. Although they defeated Oak Bay High School both before and after the Bridgman Cup, Vikettes lost the coveted cup by a 1-0 score. It is notable that this was the first time Victoria College had reached the finals in these matches.

Another outstanding accomplishment of this year's team was its pair of 2-1 victories over Queen Margaret's School of Duncan. The coach of the Duncan team stated that it was the first time in 3 years that Queen Margaret's had been defeated. However, in a third game against the Up-Island group, the College girls, showing the effects of a month's lay-off were thoroughly trounced, 0-8.

Against U.B.C., Vikettes lost their first game in Vancouver by a 1-2 score but bounced back to win their home game, 1-0.

In their annual match with the Rugby team, the girls were humiliated by a 0-7 defeat by the brute strength of the "terrible twelve."

In a final analysis, the girls lost 4 games, won 9 and tied 3 to become a team of which Victoria College can well be proud. For the success of this year's team special thanks must be given to the coach, Miss Maureen Bray, for her enthusiasm and invaluable instruction.

## Rugby...

Completing the season with a 10-3 won-lost record, Victoria College Rugby team had a profitable year. However, they lost the one that counted and thereby their chance to make it three B.C. championships for the College. The opening game of the series against J.B.A.A. ended in a 3-3 tie. In the final, James Bay edged the College 6-3 to take the Victoria Second Division Rugby title. A highlight of the season, socially at least, was the team's trip to Vancouver. In a return match, College played U.B.C. seconds in Victoria. Throughout the year the boys also tangled with Oak Bay Wanderers, Navy, Army and University School. Coach was Mr. Farquhar and captain, Russ Chambers.

## Soccer

College's soccer enthusiasts had a successful season, compiling a 6-5-2 record, with one game still to play at press time. Under the able coaching of Mr. Swainson, Vikings fought to second place in the Inter-Services League. Highlight of the season was a home-and-home series with U.B.C. Braves.

## College Swimming and Water Polo

"Always the bridesmaid, never the bride." This saying again held true for the Victoria College 1957-1958 swimming team. This year, competing with no junior swimmers, college splashers stroked to third in the annual Inter High-College Swim Gala. Perpetual winners Oak Bay High's Y.M.C.A. champions retained the Sir Edward Beatty Trophy. However, the College team was edged out for second place by three points, and finished third behind Victoria High School.

Only first place winner for the College was Janice Jackson, herself a Y.M.C.A. swimmer. She was victorious in the senior girls' back-stroke. Second place finishes went to Sheri Stott, senior girls' back-stroke; Roland Hawes, senior boys' freestyle; and Jon Stott, senior boys' breaststroke. Mike Deane, Morlene Boothe and Pete White won third place ribbons.

The team competed in two exhibition galas at Royal Roads. The first, against Royal Roads, saw the College beaten by a more experienced Tri-Services Team. Mike Deane, and Roland Hawes starred in that Gala. In a second exhibition gala College finished third behind the Victoria Y.M.C.A. and Royal Roads.

Coaches were Al Smith, Mike Sanguinetti, and Jon Stott.

As in past years, a water polo team was organized, but was unable to arrange any games.

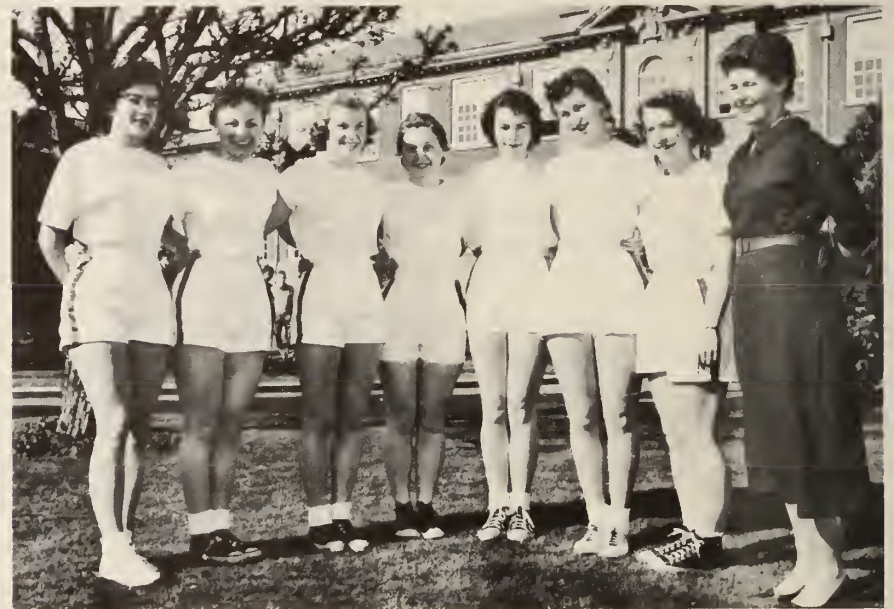

## Women's Volleyball

In the Volleyball Tournament involving eight Victoria schools, Victoria College emerged victorious, completely outclassing all competition.

In their first 3 games, College defeated Royal Oak 38-10, Esquimalt High 34-11, and Norfolk 53-27. Gaining the finals, the College Volleyball squad then disposed of Mount Douglas 25-10.

The College girls must be commended for organizing such a smoothly-run tournament. Thanks are also in order for Miss Bray whose excellent coaching was obvious in the girl's victories.

Left to right: Barbara Turnley, Bernie Beninger, Norma Calvert, Elsie Jackson, Rosalynd Fielder, Mary Luchin, Irene Webb and Miss Bray.

## Bowling

Left to right: Barry Gelling, Dave Dawson and Jamie Costain.

The second highest club in membership at the College this year was the Bowling Club. Under executive directors, Barry Gelling and Dave Dawson, the bowlers have spent their Thursday evenings this year at Gibsons Bowladrome. The seventy members are divided into fourteen teams that meet each other several times during the year. The team continued into mid-April this year and final results were not available at press time. However, leaders were Barrie Foster with a 226 average, and Janice Butler with a 176 girls average. Team nine was at last count the leading team. A tournament was held Friday, March 28, with cups and prizes being awarded in the various divisions. Outstanding performance of the year has been Barrie Foster's 386 high single.

## Badminton

Meeting at the Victoria Lawn Tennis and Badminton hall from four to six every Tuesday, the 35 member College Badminton Club had an enjoyable season.

One of the main events of the year was a tournament against U.B.C. Eight players from Vancouver were entertained by the college club but overpowered their hosts: taking 14 of 16 games.

The College tournament, consisting of girl's and boy's singles, boy's doubles and mixed doubles wound up the year's play. Sharon Whittaker and Don Wilson were victorious in the singles matches while Don Wilson teamed up with Jerry Patrick to win the doubles crown. The mixed doubles title was taken by Jane Lee and Don Wilson.

Two members of the College club were entered in the Canadian Championship Tournament. Sharon Whittaker (who reached the semi-finals) and Jane Lee (who was defeated in the finals) proved that they were in a class with the best in Canada.

Jane Lee was president of the Victoria College Badminton Club and Miss Bray was the sponsor.
